Clinical Digital Resource Collaborative

CDRC Supporting Clinical Decisions

Join our Journey

North East and North Cumbria

WHO?

- A **North East and North Cumbria** regional **NHS** owned digital resource with national reach
- Collaboration between **AHSN NENC, NECS, CBC Health Ltd** and expert clinicians

WHAT?

- Develop clinical resources in primary care clinical systems, **SystmOne** and **EMIS**
- Enables the delivery of gold-standard patient care efficiently
- Supports **HCPs, CCGs** and **PCNs** to improve patient and population health

HOW?

- Identifies un/misdiagnosed patients or those coded incorrectly
- Improves performance management with a suite of searches/reports
- Saves time and money by preventing the re-invention / creation of resources

WHY?

- To streamline processes in primary care, improving patients' outcomes
- Put clinicians more in control of patient care
- Encourage a culture of collaboration, sharing & less silo working

VISION

- To become the central hub of clinical resources
- Become a robust, bespoke primary care asset
- To save lives, money, time & positively impact primary care
